PROPOSED ORDINANCE

THE COOK COUNTY SOCIAL ENTERPRISE ORDINANCE

WHEREAS, nonprofit organizations serving the residents of Cook County and its environs are becoming increasingly entrepreneurial, supplementing charitable donations and foundation and government grants with revenue earned by the businesses they own and run, instrumentalities of mission in their own right; and

WHEREAS, for-profit social-purpose businesses serving the residents of Cook County and its environs are defining success in terms of both financial and social returns.

NOW, THEREFORE, BE IT ORDAINED, by the Cook County Board of Commissioners that Chapter 34 Finance, Article IV Procurement Code, Division 11 Social Enterprises, sections 34-320 through 34-325 of the Cook County Code, is hereby enacted as follows:

Sec. 34-320. Short title

This Division shall be known and may be cited as the “Cook County Social Enterprise Ordinance.”

Sec. 34-321. Preface and findings

(a) The County finds that social enterprises directly address social needs by providing goods or services to disadvantaged people or by employing disabled or disadvantaged people.

(b) The County finds that social enterprises use earned revenue strategies to generate income and thus become more self-sustaining.

(c) The County finds that Illinois benefit corporations are social enterprises by virtue of the fact that they are for-profit entities which are legally required to have a purpose of creating a general public benefit and may also have the purpose of creating specific public benefits.

(d) The County finds that Illinois low-profit limited liability companies are social enterprises by virtue of the fact that they are for-profit entities which must at all times significantly further the accomplishment of one or more charitable or educational purposes as defined by the Internal Revenue Code.

Sec. 34-322. Policy and purpose

The policy and purpose of this division are as follows:

(a) It is the public policy of this County to promote the growth and development of social enterprises as a means of directly addressing the social needs of the residents of the County.

(b) By providing a preference in procurement to social enterprises, the County can encourage the growth and development of social enterprises.
